

# TERRA ROSSA

TERRA ROSSA is the most modern and innovative line of the winery Il Poggiolo, where art meets wine and making wine is an art. Created by Rodolfo Cosimi and fruit of his restless character, it combines these two great passions always respecting tradition.

A former European Motocross champion and rally car racer, Rudy retains his passion for riding and regularly rides around the estate on a custom-built course. Also a painter, Rudy has lovingly crafted his paintings which adorn the labels of Terra Rossa wines. The paintings are of his beautiful and charming partner Cecilia, who has inspired Rudy to achieve new heights in all that he does.

Terra Rossa's wines can be described as a more contemporary take on Brunello and Rosso di Montalcino that preserve the fresh fruit and acid while allowing for a more generous expression of Sangiovese Grosso.
